

Section 1 Volunteer Referees

Updated: 1 August 2023

In keeping with the spirit of AYSO as a volunteer organization, paying referees or contracting with referee associations to officiate at games or Tournaments is not permitted in Section 1.

Any organization (Region or Area) that does so without prior approval of the Section Director or their designee risks the loss of the privilege to participate in Section events including Playoffs and the authorization to host Tournaments for the remainder of the current membership year and the subsequent two years.
