Referee Service Unit Record

This form is meant to assist referees who are seeking certification upgrade to keep a record of service units performed.

It is not mandatory to present this form if verification of completed service units is otherwise available.

Name: _____ Section/Area/Region: _____

Service Unit Performed	Verification Signature	Date

Service units consist of:

• Observer-Friend observations	• mentoring of new referees,
• mentoring of area badge candidates for upgrade	• observation/mentoring of other badge upgrade candidates
• serving as a Referee Administrator, Director of Referee Instruction or as a Director of Referee Assessment	• instructing Assistant Referee and Referee Training Courses
instructing Assessor Training Courses	• and, if qualified assessing candidates for badge upgrade.

Notes:

No more than 2 service units may be credited for mentoring an individual referee, one service unit per instruction function or one service unit per year for an administrative function

The requirement for performing service units is waived in the case of candidates who are under 18 years old.
